

Reconnecting with Alma Mater: Dr. Mecha visits Leibniz Universität Hannover

Submitted by mmulinge on Wed, 2019-06-26 17:55

Location / Venue:
Hannover, Germany

Dr Ezekiel Onyonka Mecha, a lecturer at the Department of Biochemistry attended the 1st Dialogue in Innovative Higher Education Strategies (DIES) training course on Management of Internationalization (Collaborations and Linkages) at Leibniz University Hannover, Germany from 18th-28th March 2019. The workshop was organized by the German Academic Exchange Service (DAAD), The German Vice chancellors Conference (HRK) and Leibniz Universität Hannover. It also included visits to the DAAD and HRK headquarters in Bonn. The training course brought together 30 university managers from Africa, Latin America, and Asia, in order to enable them to manage processes and tasks of internationalisation in the area of higher education efficiently.
