

Prof. Edward Nguu

Professor Edward K. Nguu has been appointed the substantive associate dean of pre-clinical Departments of the School of Medicine. This appointment was made by the University of Nairobi Vice Chancellor on 30 August 2017. Prior to this appointment, He served as acting associate dean in the same capacity since 1st May 2016.

He holds a PhD in Biochemistry and is an associate professor in the Department of Biochemistry in the School of Medicine. We congratulate Prof. Nguu for this appointment.
